

shoes & accessories spoil yourself in the sunshine

by Maria Cataldo

Ok, ok. So we know you've got your hot new bathers, but have you had a think about what else you might need to throw on at the beach or when you're indulging in a gelato with your girls at the end of the day? We've already covered the essential beach bags and thongs, but there are still a few things we think you might need...

Too cute! We're loving all things retro and these hot pink heart frames (2) from eQUIP fit the bill to a tee. Wear with a big floppy hat and strapless bikini and channel that stunning 50s icon look. Want more? Browse online at www.equipyourself.com.au.
